ACETATE

The photo is printed on Multi-Purpose Acetate using an inkjet printer. It is printed in Black & White to give the effect of a negative.

Card: White/Black Square Card Overlay Kit Item # SCOK5:0759

Coordinating Products:

Square Card Window Overlay Kits
Mid Size Window Overlay Kits
A-2 Window Overlay Kits
Scallop Overlay Kits
Pages 48 - 59

Two different kinds of Acetate are available: BOTH ARE ACID FREE

Acetate - Clear Transparency that is used to make shaker cards, to insert as a window on a card or box or on a scrapbook page. You can print on this Acetate with a laser printer or photocopier, as it can withstand heat at high temperatures. However, when drying ink, embossing or heating liquid applique, HEAT GENTLY & DO NOT HOLD the heat tool in one place - use a sweeping motion at about 3 - 4 inches away from project Suggested rubber stamping inks that will dry on Acetate - Brillance or Staz On.

Available in 8.5 x 11 and 1/4 size sheets (4.25 x 5.5 IN)

Multi - Purpose Acetate - This acetate is much like the acetate above - ONLY BETTER!

This acetate will print on both a LASER printer and an INKJET printer. It looks the same, but feels rough on one side.

Available in 8.5 x 11 ONLY INSTRUCTIONS ARE INCLUDED FOR PRINTING PHOTOS
