# Outer Stair Step

This die will die cut and score an A-2 Card to fold with step on the side of the card.

Pre-Cut Cards & Card Making Die

**OUTER Stair Step  
Card Making DIE**  
PCDIE027  
\$26.50

## To use die to make an OUTER Stair Step Card

- Start with a Scored A-2 Card  
OR Score a 5.5 x 8.5 sheet at 4.25"
- Line up point on the die (closest to the cut rule) with your score. The opposite edge of the die should be slightly off the edge of your paper.
- Because only one point is lined up with the score, you will need to make sure your die is straight. To do this make sure you die is even at the bottom - therefore the same distance from the bottom of your card on both corners of your die
- Secure die in place with tape and die cut
